# PGA INTERIOR PARTITION SYSTEM

PGA interior partition system is designed for arrangement of work space in shopping malls, exhibition centres and office buildings. The system offers wide opportunities for interior design in premises of any purpose.

- ✓ Simple and convenient mounting due to the infill unit fastening with plastic clamps (patented solution).
- ✓ Single and double leaf doors with single and double glazing can be installed.
- ✓ Mullions can be fixed to the floor and the ceiling by means of fixing elements.
