# PGA RAILING SYSTEMS

## Elxis Synthesis Julietta

Railing systems made of aluminum and glass - a modern solution for internal and external fences. They can be used as railings for stairwells, balconies, floor windows and terraces. Glass railings will add lightness and light to your project, due to the wide variety of elements, you can achieve any desired aesthetic result.

- ✓ Modern architectural solutions.
- ✓ Easy to install systems.
- ✓ A wide range of solutions for every project.

## Elxis

This is a modern design that prioritizes simple and minimal design lines, making it perfect for spaces with a minimalist aesthetic.

## Synthesis

A modern, minimalist style that will accentuate the elegance of your project.

## Julietta

Julietta, a system solution for "no balcony" projects, is a stylish and safe solution, for floor-to-ceiling windows.
