# PGA W62

## Insulated window and door system

PGA W62 is a multifunctional system for manufacturing windows and doors, window units of any configuration with high thermal and acoustic requirements. The excellent thermal characteristics, air tightness and acoustic insulation of the system are insured by polyamide thermal break chambers, foamed insulating inserts and EPDM gaskets.

## Feel free to contact us!

We'll be glad to provide you a free "no strings attached" estimate on your project!
